

Manu Lodge 133 Bulletin

April 6, 2008 Vol. 1

LEC was held April 6, 2008 at Mazzio's Call Center in Norman, OK. Several chapters were in attendance. We need to make sure that all chapters are represented at these meetings in order to ensure better communication.

Ordeal registration forms are now available online on the lodge website:

<http://www.manu133.org/documents/springordeal.pdf>.

Encourage all candidates who were recently called out to attend. This is also a good time for arrowmen who have been ordeal members for at least ten months to seal their brotherhood. We are also in need of arrowmen who would be willing to serve as elangomats at the ordeals. If you can serve please contact Aaron Patterson at ceremonies@manu133.org or Mike Richardson at adviser6@manu133.org

It was voted and passed that administration staff at ordeals will wear distinctive t-shirts. The cost of the t-shirts will be between \$5 and \$7 each.

A new lodge flap will be available before ordeal.

A special service flap will be awarded for any arrowman who completes twenty hours of service at any council camp.

Chapters are currently in the process of doing callouts. Sooner (Netami) chapter recently held their call out at a camporee conducted by their ceremony team. Chisholm Trail (Nu Ma Nu) had seventeen candidates called out. Sekettummaqua conducted callouts at the troop level. It was voted and passed that candidates will do an arrow carving when on silence at ordeals. Eagle chapter will supply the wood.

Work weekends were held at Diamond H and Dripping Springs. A successful member election was held during the Drippings Springs work weekend.

It was proposed that the next LEC be held at the end of April or at least before the next ordeal in May.

2008 S-3 Conclave is scheduled for April 25-27th. It will be held at Will Rogers Scout Reservation in Cleveland, OK. The theme for this year's conclave is "Ponder That Which is Our Purpose". Cost is \$35 before April 15th and \$50 anytime after that. Registration forms are available online at <http://www.manu133.org/documents/conclavereg.pdf>

It was voted on, that the Lodge will spend up to \$800 for the horsemanship area at Slippery Falls Scout Ranch. This money will be used to build a covered shed for the horses and any left over money will be going towards a pen.
