

National Order of the Arrow Leadership in Service Award (2005-2007)

In recognition of the Order of the Arrow's heritage of service, the National Order of the Arrow Committee created a new three-year Leadership in Service Program that was announced at the 2004 NOAC. The Order strives to strengthen Scouting's foundation of service by further fostering in Arrowmen the ethic of servant leadership. By promoting and rewarding service that benefits the Boy Scouts of America's outdoor program, and the communities in which Scouts reside, the Order will be acting to support Scouting at the most important level.

Leadership in Service Award Criteria

Arrowmen must complete the following requirements each year in which they earn the award:

- Give 8 hours of service participating in a lodge, chapter, or council service project benefiting a local council camp (lodge induction weekends do count). Service may be split over two or more events. *
- Give 6 hours of service doing a community service project planned and run by the lodge or chapter. Service may be split over two or more events. **

* Working as a member of a summer camp staff does **not** fulfill the council service requirement. Camp work weekends (Donkey Days, etc) and OA Trail Crew are included in the approved service list. New Ordeal members may count hours of service obtained during the weekend of their induction.

** The approved Lodge community service project will be the Lodge One Day of Service. Community service projects may also be organized and run by the chapter as a chapter function, if approved by the lodge in advance. Eagle Scout service projects do not count for this requirement (because they are not OA chapter projects – See the AUSA Award, however).

The timeline for the Leadership in Service Award is a graduated system that encourages Arrowmen to continue their service from year to year. Requirements for the award can be met during the 2005, 2006, and 2007 Lodge calendar years. Service from a previous year **cannot** be carried over to meet the next year's requirements. Arrowmen of all ages may earn the First Year award in 2005, 2006 or 2007, the Second Year in 2006 or 2007, and the Third Year Award in 2007 only.
